

## What Happens Next

**The re-designed Camilty Wind Farm will be submitted as an application for planning permission to West Lothian Council.**

Environmental assessment work is ongoing. It is anticipated that an application will be submitted in January 2021 accompanied by an addendum to the existing EIA Report.

When the application is submitted, copies of the EIA Report will be available to view.

Following submission, the application will be able to be viewed on West Lothian Councils website.
